DESCRIPTION

The 2022 Audi S3 TFSI Vorsprung combines performance and practicality in a refined package. This model is powered by a 2.0L petrol engine, which delivers power to the road through a four wheel drive system, ensuring stability and grip in various driving conditions. As a Euro 6 compliant vehicle, it meets modern emission standards while offering a driving experience that can reach 0-62mph in 4.8 seconds.

This Vorsprung trim is equipped with a comprehensive range of technology designed to enhance convenience and comfort. Drivers benefit from a head-up display and the Audi Smartphone Interface, which includes Apple CarPlay for seamless connectivity. The vehicle also features an advanced key with a power operated tailgate for easy access, alongside Audi Matrix LED headlights with dynamic indicators and a headlight cleaning system for improved visibility. The inclusion of the Comfort and Sound Package adds a luxury branded sound system, heated seats, and a full suite of parking assistance tools, including front and rear sensors and a rear camera, making this a well-equipped choice for daily use.
