DESCRIPTION

This 2021 BMW M4 BiTurbo Competition is a high performance vehicle powered by a 3.0 litre petrol engine that meets Euro 6 emission standards. As a Competition trim model, it combines refined engineering with a clear vehicle history check, ensuring peace of mind for its next owner. This vehicle represents a sophisticated choice for those seeking a balance of power and modern automotive standards.

The driving experience is enhanced by a range of advanced equipment, including the Technology Plus Pack which features adaptive cruise control, a head up display, and a premium branded sound system. Manoeuvring is made straightforward with Parking Assistant Plus, providing a 360 degree camera alongside front and rear sensors and cameras. Visibility is prioritised through the Visibility Pack, which includes laser and LED headlights, while the Comfort Package adds a heated steering wheel for colder days. Beyond these features, the vehicle offers a large boot space for practicality and falls into a low insurance group, making it a sensible yet powerful option that accelerates from 0 to 62mph in 3.9 seconds.
