## DESCRIPTION

This 2021 BMW X6 30d M Sport is a sophisticated vehicle that combines performance with a refined driving experience. Powered by a 3.0 litre diesel hybrid engine, this model features a four wheel drive system and meets Euro 6 emission standards. It has covered 49,500 miles, which is a low mileage for its age, reflecting its well-maintained condition. As an M Sport trim, it offers a balance of style and capability, making it a practical choice for those seeking a premium vehicle with a proven track record.

The vehicle is equipped with a range of advanced features designed to enhance comfort and safety. The interior includes the Crafted Clarity glass application for a premium feel, while the Panorama Glass Roof Sky Lounge, which features an opening panoramic sunroof, creates a bright and airy cabin environment. Drivers benefit from the Technology Package, which includes a head up display, and the Driving Assistant Professional suite, providing adaptive cruise control and blind spot assistance. Visibility is improved through the Visibility Pack, which incorporates both LED and laser headlights. Beyond these technological additions, the vehicle offers a large boot space for practical storage, and its performance is notable, with the ability to accelerate from 0 to 62mph in 6.1 seconds.
