DESCRIPTION

This 2020 BMW X7 40d M Sport offers a rare find for its age, having covered only 42,000 miles. As a spacious seven-seat vehicle, this model combines a powerful 3.0L diesel hybrid engine with a capable four-wheel drive system, ensuring it meets the Euro 6 emission standards. The M Sport trim is enhanced by the M Sport Pro Package, which complements the vehicle's refined aesthetic. Inside, passengers can enjoy the expansive Panorama Glass Roof Sky Lounge, which includes an opening panoramic sunroof to bring more light into the cabin. Practicality is also well considered, with front and rear Park Distance Control and parking assistance sensors to aid manoeuvring, alongside telephony with wireless charging to keep devices connected and powered during journeys.

The performance of this vehicle is notable, capable of accelerating from 0 to 62mph in just 6.1 seconds, providing a responsive driving experience despite its size. Beyond its speed, the X7 is designed for versatility, offering a large boot space that makes it well suited for family trips or transporting bulky items. Its utility is further demonstrated by a towing weight capacity of 2,200 kg, allowing it to handle heavier loads with ease. By balancing this impressive towing capability and acceleration with a comfortable seven-seat layout, this BMW provides a practical yet dynamic option for those who require both space and performance in their daily driving. .
