DESCRIPTION

This 2021 Mercedes-Benz G63 V8 BiTurbo AMG presents with exceptionally low mileage for its age, having covered just 28,000 miles, and boasts a clear vehicle history check. As a Euro 6 compliant 4.0 litre petrol model, this four wheel drive G Class is equipped with the AMG trim, offering a powerful driving experience. Inside, you will find a wealth of premium features, including a Bluetooth interface for hands free calls, an electric sliding sunroof, and THERMOTRONIC automatic climate control with three distinct zones and styles. Entertainment is provided by the impressive Burmester surround sound system, while parking is made effortless with the Parking-Assistance PARKTRONIC system, featuring sensors at both the front and rear.

The performance of this G63 is truly remarkable, achieving 0-62mph in a swift 4.5 seconds, a figure that highlights its superior acceleration compared to many vehicles in its class. This exceptional speed is complemented by a substantial towing weight of 3500 kg, making it a versatile choice for various needs. Furthermore, the generous boot space ensures practicality for everyday use and longer journeys, combining its formidable power with everyday usability.
