DESCRIPTION

This 2022 Mercedes-Benz GLC63 V8 BiTurbo AMG S Premium Plus represents a high-performance SUV that combines power with practicality. Under the bonnet, it features a 4.0-litre petrol engine paired with a four-wheel drive system, ensuring capable handling across various driving conditions. As a Euro 6 compliant vehicle, it meets modern emission standards, while its robust engineering allows for a towing capacity of 2200 kg, making it a versatile choice for those who need both speed and utility.

The vehicle is equipped with a range of premium features designed to enhance comfort and convenience. Manoeuvring is made straightforward with the inclusion of Active Parking Assist, which utilises front and rear sensors alongside a 360-degree camera system to provide a clear view of the surroundings. Inside, the cabin offers heated front seats for added comfort, while the electric panoramic glass sunroof creates a bright and open atmosphere. For modern connectivity, the vehicle also includes wireless phone charging, ensuring that devices remain powered throughout the journey.
